2nd October 2018

Dear Parents/Carers

Year 11 Exam Information evening

As you will probably be aware, all of year 11 are sitting the new 9-1 GCSEs or new BTEC technical awards. Many of the new GCSE courses are now fully exam based in terms of assessment, and therefore have a large percentage of the knowledge and understanding within the course assessed at the end of year 11. The new BTECs technical awards also contain an exam, alongside constant assessment. As a result, the expectation and demands on year 11 are high.

To enable you to support your child fully, we are holding a parent information evening on 17th October from 4.30pm to 6.45pm. During this time, departments will be conducting talks of 20 minutes for you to attend. The talks will cover the demands of the exams, ways students might be able to revise and show you any additional revision material which might be available for your child. Talks will run concurrently, so you will be able to attend as many as are relevant to your son/daughter. Please see the timetable below for further information. Throughout the evening, there will also be an opportunity to look at the revision guides available for subjects.

If you wish to attend, please indicate the time and subjects you expect to attend.

We look forward to meeting you.

Yours sincerely

The Curriculum Leadership team

✂-----

Please return reply slips to reception by 10th October or email Miss Laura Newton on LJN@stjamesexeter.co.uk to confirm attendance.

Child's name: Tutor group.....

Please circle the subject you would like to attend in each time slot.
