5.0 Introduction

- 5.1 The Attendance Policy operates within the context of the school's mission and values. It is the aim of leaders to support every pupil to attend school each day in order to fulfil their academic and social potential.
- 5.2 To realise this aim, the school will work in partnership with parents / carers, the local authority, and outside agencies to offer pupils support in maintaining excellent attendance. The barriers to accessing education are wide and complex, both within and beyond the school gates, and are often specific to individual pupils and families. Improving attendance is everyone's business: effective communication and joined up working are paramount, and the school will operate a 'support first approach' in line with DfE expectations
- 5.3 Excellent attendance is a pre-requisite of academic success. The school will ensure that parents are kept fully informed about the link between attendance and successful outcomes and that when progress is jeopardised, this message is clearly reiterated, and support is offered to remove any existing or emerging barriers to attendance.
- 5.4 One of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, the school strives to provide a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents/carers.
- 5.5 The policy will be implemented alongside the Department for Education guidance document 'Working Together to Improve School Attendance'.

6.0 Aims

- 6.1 To provide clear guidelines about how the school promotes and secures high levels of pupil attendance and punctuality.
- 6.2 To ensure all stakeholders understand the school's expectations of themselves, and each other, in order to secure them.
- 6.3 To support the mission, vision and values of the Trust and its schools.

7.0 Who is responsible for this policy?

- 7.1 The Trust has overall responsibility for the effective operation of this policy and for ensuring compliance with the relevant statutory requirements. The Trust has delegated day-to-day responsibility for operating the policy to the local governing body and Headteacher of each school.
- 7.2 The local governing body and senior leadership team at each Trust school have a specific responsibility to ensure the fair application of this policy and all members of staff are responsible for fulfilling their roles and supporting to ensure its success.

8.0 Responsibilities

- 8.1 All children aged 5 - 16 years must receive suitable education. (Section 7, *Education Act (1996/2002)*). A pupil of compulsory school age who is registered at a school must, by law, attend regularly.
- 8.2 By law, parents have the prime responsibility for ensuring that pupils of compulsory school age attend regularly. (Section 576, *Education Act (1996)*).
- 8.3 The Local Authority (LA) must offer educational provision for all children of school age.
- 8.4 By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register from the beginning of the first day on which the school has agreed or has been notified that the pupil will attend the school.
- 8.5 Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.
- 8.6 By law, all schools must keep an admissions' register, the contents of which includes all pupils, their personal details, (including at least three telephone numbers for different safe adults, to ensure that we can always contact someone in the event of an emergency), the date of admission (or re-admission), information regarding parents and details of the school last attended.
- 8.7 Pupils will be removed from roll only when they complete their education stage, transfer to another school, move out of the area or emigrate or following a parental request for elective home education. We follow statutory guidance for removing pupils from roll and notifying the local authority. Further information can be found in Appendix 6.
- 8.8 There is a clear link between attainment and attendance. Under **section 444 (1)** of the **Education Act 1996** (EA 1996), a parent commits an offence if they fail to ensure their child's regular attendance at a school where the child is registered. We will therefore if the circumstances dictate, enforce the use of statutory action to encourage and promote attendance, this is done to ensure that all pupils can benefit from their legal right to receive an education.
- 8.9 The school will communicate attendance concerns to the pupil's social worker, if they have one or the Virtual School Head, if the pupil is a looked after child. This will be done as soon as there is an attendance concern and immediately upon becoming a persistent absentee. Unexplained absences will also be communicated to the social worker and Virtual School Head, where relevant.
- 8.10 A roles and responsibilities framework is outlined in Appendix 3 to complement this policy. This defines agreed roles and responsibilities for parents, pupils and staff. This includes the responsibility for our School Senior Attendance Champion who is Mark Barlow, Deputy Headteacher.

9.0 Safeguarding & Attendance

- 9.1 The school will monitor trends and patterns of absence for all pupils as a part of its standard procedures. However, it is recognised that sudden or gradual changes in a pupil's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance *Keeping Children Safe in Education*, local procedures and the school's Safeguarding Policy, staff will investigate and report any suspected safeguarding concerns on to the relevant authorities. As part of the school's safeguarding duty and standard procedures, staff will inform the local authority and/or the police of the details of any pupil who is absent from school when they cannot establish their whereabouts and are concerned for the pupil's welfare.

10.0 Definitions

- 10.1 A pupil is classed as absent if they arrive after the register has closed or if they do not attend for any reason.
- 10.2 An authorised absence is when approval has been given in advance for a pupil of compulsory school age to be absent for a specific (legal) purpose, or we have accepted an explanation offered afterwards as justification for absence from a parent or carer. An authorised absence is still an absence and as such should be avoided wherever possible.
- 10.3 Reasons may include:
- a. an absence for illness for which we have granted leave,
 - b. medical or dental appointments may be granted leave where every attempt has been made to arrange outside of school hours, has been unsuccessful and so cannot be avoided, or where the appointment is a genuine emergency,
 - c. religious or cultural observances for which we have granted leave. The day must be exclusively set apart for religious observance by the religious body to which the parents or pupil belong. Where necessary, we will seek advice from the parents' religious body about whether it has set the day apart for religious observance and
 - d. an absence due to a change in exceptional circumstances.

10.4 The codes used for authorised absence set out by the DfE are outlined below:

Authorised absence		
C1	Absent to participate in a regulated performance or undertaking regulated employment abroad.	Authorised absence
C2	Pupil of compulsory school age is absent due to a part-time timetable agreed by the parent and the school	Authorised absence
C	Absence agreed by the school due to an exceptional circumstance	Authorised absence
E	Suspended or permanently excluded and no alternative provision made	Authorised absence
I	Illness (physical and/or mental health related)	Authorised absence
J1	Absence agreed by the school to attend an interview for employment or for admission to another educational institution	Authorised absence
M	Absence agreed by the school for medical/dental appointment	Authorised absence
R	Day set aside for religious observance	Authorised absence
S	Study leave for a public examination	Authorised absence
T	A mobile child (child of no fixed abode) who is travelling with their parent for their trade or business	Authorised absence
X	Non-compulsory school age pupil not timetabled to attend	Not counted in possible attendances

10.5 An unauthorised absence is defined as one where we are not satisfied with the reasons given for the absence. Reasons may include:

- a. parents keeping children from attending unnecessarily or without reason,
- b. missing sessions before or during the school day,
- c. absences which have never been properly explained,
- d. arrival after the register has closed,
- e. day trips and holidays in term time and
- f. leaving school without authorisation during the school day.

10.6 The codes used for unauthorised absence, as set out by the DfE are outlined below:

Unauthorised absence		
G	Holiday not granted by the school.	Unauthorised absence
N	Reason for absence not yet established.	Unauthorised absence
O	Absent in other or unknown circumstances.	Unauthorised absence
U	Arrived in school after registration closed (where an authorised absence code does not apply).	Unauthorised absence

10.7 Persistent absence is defined as: 10% or more of sessions missed (or 19 days missed) (based on each pupil's possible sessions). Absences may be authorised or unauthorised.

10.8 Severe absence is defined as: 50% or more of sessions missed (based on each pupil's possible sessions). Absences may be authorised or unauthorised.

10.9 Persistent lateness is defined as pupils who have five or more late marks recorded in a single half-term.

11.0 Monitoring and Reviewing Attendance

11.1 We recognise that early intervention can prevent poor attendance. We monitor attendance and punctuality, daily and weekly throughout the year. We recognise that certain groups of pupils may be more susceptible to poor attendance and will provide support and assistance wherever possible.

11.2 We set challenging attendance targets for the whole school.

11.3 Pupil-level absence data is collected regularly and published at national and local authority level through the DfE's school absence national statistics releases. We regularly compare our attendance data to the national average.

11.4 Specific measures are taken to monitor attendance. These processes are embedded and regularly checked to ensure the effective safeguarding of all pupils. Data on attendance is collected and analysed a minimum of once per half term. Key analysis is made of the following:

- a. Patterns of absence, including broken weeks analysis
- b. Patterns of lateness
- c. Patterns of medical appointments
- d. Patterns of unauthorised absence
- e. Correct and consistent use of absence codes
- f. Trends in reasons for absence, for example, use of the C code, leave of absence and exclusions
- g. Trends in particular groups of children for example, pupils with Special Educational Needs and Disabilities (SEND).

11.5 Attendance data informs our action planning and supports the identification of key priorities in the school development plan and future revisions of this policy.

- 11.6 The attendance data is reported to the Headteacher and all other relevant staff, to facilitate timely and supportive discussions with pupils and families.
- 11.7 Data will also be used by the school to monitor the impact of any interventions put in place to improve attendance and to modify them and inform future strategies.

12.0 Reviewing this Policy

11.1 This policy will be reviewed every two years or in the following circumstances:

- a. Changes in legislation and/or government guidance
- b. As a result of any other significant change or event
- c. If the policy is determined not to be effective

Appendix 2 - Maintaining an Attendance Register & Reporting Absence

The law states that schools must take the attendance register at the start of each morning session of each school day and once during the afternoon session. The school must record whether each pupil is:

- Present at the school,
- Attending a place other than the school, or
- Absent from the school.

Appendix 4 provides a list of register codes.

Any amendment to the attendance register will include:

- the original entry,
- the amended entry,
- the reason for the amendment,
- the date on which the amendment was made and
- the name and position of the person making the amendment.

Key Information

- The school gates are open from: 8:25am. The school day starts at 8.35am. All pupils should be in their classroom at this time. The school day ends at 3:00pm on Monday, Wednesday, Thursday and Friday. On Tuesday the day finishes at 4.00pm
- The first (morning) registration session starts at 8.35am. Pupils will receive a late mark if they are not in their designated classroom by 8.35am. The register closes at 9.00am. Pupils will receive a mark of absence if they do not attend before this time. Attendance after the register closes will receive a mark to show that the pupil is on site, (U) but will count as an absent mark.
- Pupils arriving late to school should report to the main school entrance and sign in with staff at our main reception.
- The second (afternoon) registration session starts at 12:00pm.
- If a pupil needs to leave school during the day, they must sign out at the main reception.
- Pupils educated off-site are monitored daily for their attendance at the off-site/alternative provision. Staff work closely with the staff at the off-site provision, the pupil, and their parents to support the pupil to maintain good attendance, ensure safeguarding processes are in place and to ensure the child remains connected to the school.

Recording Attendance

- The national absence and attendance codes enable schools to record and monitor attendance and absence in a consistent way which complies with the regulations. They are also used for collecting statistics through the Census and DfE data returns. The data helps schools, local authorities, and the Government to gain a greater understanding of the level of, and the reasons for absence. See Appendix 4 for the DfE attendance codes.
- There will be no pre-population of codes and individual school tracking systems which monitor the whereabouts of pupils and those educated off-site, are robust and quality assured regularly.
- Where pupils are dual registered, or are taking part in other approved educational activities, the register will be updated following regular discussion and information sharing with the other establishment.
- The Office Attendance Manager will check the missing register report throughout the day and report any registers that have not been completed.

Reporting Absence

- It is the responsibility of the parent to inform us of a pupil absence and to inform us of any changes to contact details.

- Parents are expected to inform us of their pupil's absence before 8.30am on each day of absence providing the reason for absence and when their child will be returning to school. We will contact parents and/or other listed emergency contacts (parents need to supply at least 2 other contacts for emergencies) where no contact has been made. Where required, we may conduct reasonable enquiries with friends or neighbours and will carry out welfare home visits as necessary. If no contact is made, we may request a welfare check from the police.
- The school will always prioritise support over legal interventions. However, the school has a duty of care to inform parents that do not engage with the advice and support offered, that the threshold for referral to the Attendance Engagement Service is 92% and the school will proceed with a referral should a child's attendance reach this level.

Reasons for Absence

Appointments

- As far as possible, medical, and dental appointments should be made outside of the school day. Where this is not possible, a note and appointment card should be sent to us prior to the appointment.
- Pupils must attend school before and after the appointment wherever possible. If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the pupil's record. Should a pupil arrive late following an appointment, they should report to the school office / reception to be signed in.
- Absences for medical appointments will be recorded with an M code.

Religious Observance

- In accordance with the law, the school will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent/carer belongs – this will be recorded with the R code. In line with the DfE's Working together to improve school attendance guidance, if necessary, the school will seek advice from the parent/carer's religious body, about whether it has set the day apart for religious observance.
- Parents/carers should notify the school in advance that their child will be absent for religious observance, so that the school knows whether to expect the pupil into school or not.
- If a parent/carer would like their child to be absent for an additional day, around a religious observance, they should contact the school to request this. The school will consider each application individually, considering the specific facts and circumstances and relevant background context behind the request. If additional absence is authorised, this will be marked with the C code.
- The academy will ensure a pupil is not penalised for absence due to days of Religious Observance, for example if using attendance rewards.

Illness

- To make informed decisions about their pupil's fitness for attending school, parents are encouraged to refer to the NHS guidance 'Is My Child Too Ill for School?'. Any authorisation of absence through illness is done so at the discretion of the Headteacher or member of staff delegated to carry out this task within the school.
- Parents and carers are expected to notify the school on the first day their child is unable to attend due to illness (both physical and mental health related).
- If the child is ill for more than one day, the parent/carer should contact the school each day to provide an update, unless otherwise agreed by the school.
- In most cases, absences for illness which are reported by following the school's absence reporting procedures will be authorised and coded I (Illness).
- If the school has genuine and reasonable doubt about the authenticity of the illness, the school will request medical evidence to support the absence.
- Where medical evidence is considered necessary, the school will not be rigid about the type of evidence requested and will speak to the family about what evidence is available. Where a parent cannot provide evidence in the form requested but can provide other evidence, the school will take this into account. Where

a parent cannot provide any written evidence, the school will speak to the parent and pupil, if appropriate, which may serve as the necessary evidence to record the absence appropriately.

- If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.
- Where a pupil's health need means they need reasonable adjustments or support because it is complex or long term, the school will seek medical evidence in order to better understand the needs of the pupil and identify the most suitable provision in line with the statutory guidance in supporting pupils at school with medical conditions or arranging education for children who cannot attend school because of health needs.
- The reporting of absence due to illness remains the responsibility of the parent/carer. Absences due to illness which have not been reported to the school by the parent/carer on the first and any subsequent days of absence may not be authorised.
- In some cases, a pupil may be absent long term due to an illness or injury. We will liaise with families to ensure children return to school as quickly as possible and that there are no safeguarding concerns. On occasions where this is not possible, (and the section 19 threshold is met) we will make a referral to the Local Authority Medical Panel which provides educational opportunities for pupils who are unable to attend their regular school due to illness.

Mobile Pupil - Parents Travelling for Occupational Purposes

- A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place.
- The school will authorise the absence of a mobile child who is unable to attend school because they are travelling with their parent in the course of their trade or business. This is subject to certain limits, depending on the child's age and number of sessions absent. The school will discuss cases individually with parents as necessary. Parents should let the school know of their plans as far in advance as possible.
- The school will not unnecessarily ask for proof that a parent is travelling for occupational purposes, this will only happen when there are genuine and reasonable doubt about the authenticity of the reason for absence given. If there is doubt, the school may ask for proof that the family are required to travel for occupational purposes during the period of absence.
- To help ensure continuity of education for mobile children, when their parents are travelling for occupational purposes in England, wherever possible it is expected that children should attend a school where their parents are travelling and be dual registered at that school (classified as the subsidiary school) and at this school, which would be classified as their 'main school'.
- The T code, which is an authorised absence code, will be used when mobile children are known to be travelling for occupational purposes, but it is not known whether the child is attending another educational provision.
- When their parents are not travelling occupational purposes, mobile children are subject to the same rules as other children in terms of the requirement to attend school regularly.
- Mobile pupils travelling for occupational purposes covers Roma, English and Welsh Travellers, Irish and Scottish Travellers, Circus workers, Bargees (occupational boat dwellers), Showman and New Travellers.
- To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act (1944), Section 86, states that a Traveller parent/carer is safe from prosecution if their child accrues 200 attendances (i.e., 200 half days) in a year. It is important to note that this is only relevant when the family are engaged in a trade or business that requires them to travel and when the child is regularly attending school when that trade/business permits, following a request from parents (and the minimum 200 session criteria is met). It does not mean that part-time education for Traveller pupils is legally acceptable, nor does it relieve parents/carers of their duties to ensure that their child is receiving a suitable education when not at school.
- It is a parent's responsibility to:
 - a. ensure that your child's ethnicity has been registered with the school. You can ask the school to correct this or update it,
 - b. ensure you tell your child's school ahead of time. 2 weeks' notice is useful,
 - c. ensure that your children attend as much school as possible,

- d. ensure their child is accessing at least 100 days (200 sessions) of school in any 12-month period,
 - e. have regular contact with their child's school whilst travelling. Once a week is suggested,
 - f. support their child to complete the work set by schools whilst travelling and
 - g. if staying in a new area for a week or more, to register their child for a temporary place at any school – called 'dual registration'.
- It is the school's responsibility to:
 - a. allow mobile pupils to travel with their parents for work purposes,
 - b. create work packs for their pupils to complete when away,
 - c. arrange times for at least a weekly 'check in' with the family,
 - d. contact the Local Authority if they have concerns,
 - e. mark pupil's work and provide valuable feedback and
 - f. ensure missed opportunities such as parents evening, vaccinations and careers advice are supported on the pupil's return.

Pupils with medical conditions or special educational needs and disabilities

- Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long term medical conditions or those who have special educational needs and disabilities. Their right to an education is the same as any other pupil and therefore the attendance ambition for these pupils is the same as they are for any other pupil.
- School will:
 - a. work with parents to improve attendance, be mindful of the barrier's pupils face, make reasonable adjustments, and put additional support in place where necessary to help them access their full-time education. It is also expected that parents will engage with the support offered both internally and with external partners to ensure our children have all the support they need to thrive,
 - b. encourage positive conversations so that a good support plan can be put in place, including making reasonable adjustments,
 - c. consider possible explanations for absence including Emotionally Based School Avoidance (EBSA),
 - d. work with parents to consider whether additional support from external partners (including the local authority or health services) would be appropriate, making referrals in a timely manner and working together with those services to deliver any subsequent support,
 - e. ensure relevant referrals are made for pupils who are too ill to attend school, which may include the LA medical panel (under section 19) and or medical agency support such as CAMHS,
 - f. establish strategies for removing the in-school barriers this may include considering support or reasonable adjustments for uniform, transport, routines, access to support in school and lunchtime arrangements and
 - g. ensure joined up pastoral care is in place and consider whether a time-limited, closely monitored and reviewed, phased return to school would be appropriate, for example for those affected by anxiety about school attendance.

Requesting Leave in Term Time

- Absence for purposes of leave during term time can only be authorised by the Headteacher, within the boundaries set by the Education (Pupil Registrations) (England) Regulations (2006). "Head Teachers may not authorise leave during term time except where the circumstances are exceptional." Under the Regulations, retrospective authorisation for leave in exceptional circumstances is not permitted.
- The fundamental principles for defining 'exceptional circumstances' are that they are: 'rare; significant; unavoidable and short'. Holidays during term time will not be considered as exceptional circumstances. The following guiding principles apply:
 - a. Term-times are for education. This is the priority. Children and families have 175 days off a year, including weekends and school holidays. We will rightly prioritise attendance at school.
 - b. The decision to authorise a pupil's absence is wholly at the Headteacher's discretion based on their assessment and merits of each individual request.

- c. If an event can be reasonably scheduled outside of term-time, then it would not be normal to authorise absence for such an event – holidays are therefore not considered ‘exceptional circumstances. It is also acceptable for the Headteacher to take a pupil’s record of attendance into account when making absence-related decisions.
 - d. We will take the needs of the families of service personnel into account if this prevents them from being able to take family holidays during scheduled holiday time.
 - e. We also have a duty to make reasonable adjustments for pupils with special needs and/or disabilities.
- Family emergencies need careful consideration before decisions about attendance are made. It is not always appropriate, or in the best interests of the pupil to miss education for emergencies which are being dealt with by adult family members. Being at school with support from staff and peers can provide children with stability. The school routine can offer a safe and familiar environment during times of uncertainty. Relevant members of staff will work with parents to decide what is in the best interest of the pupil.

Persistent and Severe Absence

- Pupils with 90% or less attendance (have missed 19 or more days of school) are classified as Persistent absence (PA). PA includes both authorised and unauthorised absences.
- Pupils with 50% or less attendance are classified as Severe absence (SA). SA includes both authorised and unauthorised absences.
- All PA pupils will have personalised action plans to try to improve their attendance. This will be monitored by the Senior Attendance Champion with the support of the Office Attendance Manager.
- Pupils who are PA will be discussed as a potential concern at fortnightly attendance review / inclusion meetings. Where pupils have an identified special educational need, the schools SENCO will also provide support, so that the impact of needs are clearly understood and appropriate, supportive actions are taken.

Following Up Absence and Taking Statutory Action

- We will follow up any unexplained absences to ascertain the reason and circumstances. Any pupils who fail to attend regularly or who are absent for more than one week will be referred to DSL and Headteacher.
- Unexplained absences will be followed up on the morning of the first day of the unexplained absence and the school will identify whether the absence is approved or not. The school will identify the correct code to use and will input it as soon as the reason for absence is ascertained. This will take no longer than 5 working days after the session has occurred.
- In the case where the reason for absence cannot be ascertained by the school and no reason has been issued for the pupil’s absence, the school will initiate safeguarding procedures and the DSL will decide on the best course of action to ensure the safety of the pupil, following the procedures for children missing in education, as outlined in the guidance document from the Department of Education. This will include a welfare check conducted by school staff.
- Where it is appropriate, a member of staff may carry out a ‘Return to School Meeting’ to discuss the absence and to identify any support required.
- It may occasionally be necessary to inform parents that no further absences will be authorised for a particular pupil unless medical evidence is provided as detailed in the absence due to illness section of this policy. This decision can only be made by the Headteacher often in consultation with DSL and where relevant, the SENCO.

Penalty notices, prosecutions and education supervision orders

- Under section 444 of the Education Act 1996, if a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school their parent(s) are guilty of an offence. This applies to both resident and non-resident parents who may both be subject to legal action if their child fails to attend school regularly. It also applies to others who may not be the parent but may have day to day care of the child. If an absence is not authorised by the school, the pupil’s attendance is deemed to be irregular.

- A pupil's unauthorised absence from school could result in one of the following:
 - **A penalty notice.** The penalty is £80 per parent, per child, payable within 21 days, rising to £160 per parent, per child if paid between 22 and 28 days. If a second penalty notice is issued within a rolling 3-year period the penalty is £160 per parent, per child if paid within 28 days; there will be no option to pay a lower amount. (Failure to pay a penalty notice will usually result in prosecution.)
 - **Prosecution.**
- Penalty notices can be issued if a child has at least 10 sessions of unauthorised absence in a period of 10 school weeks. (A morning or afternoon is one session; a whole school day is two sessions.) However, the DfE's national framework for penalty notices allows penalty notices to be issued sooner than this, in some circumstances.
- Before a penalty notice is issued, where considered appropriate, a Notice to Improve will be sent to parents/carers to give them a final chance to improve attendance before a penalty notice is issued. A Notice to Improve will not be issued where a warning is not considered inappropriate, for example in the case of unauthorised term time holiday absence.
- Penalty notices are issued to each parent/carer with responsibility for the child and are issued for each child with unauthorised absence. For example, if two siblings have unauthorised absence, and there are two parents/carers with responsibility for the children, four penalty notices would be issued.
- The school will refer cases of unauthorised absence that meet the threshold for a penalty notice to the local authority unless there are reasonable grounds for not doing so.
- Referrals for penalty notices will include unauthorised absence due to term time holiday or other trips/visits, and other types of unauthorised absence.
- When referring to the local authority for legal intervention, the school will show that the parent/carer has been warned they are at risk of a penalty notice or prosecution.
- Penalty notices are issued to parents as an alternative to prosecution and are intended to prevent the need for court action.
- A penalty notice may not be issued if prosecution is considered to be a more appropriate sanction for a pupil's unauthorised absence.
- The local authority will consider the information provided by the school and take action in line with their protocols and procedures, following the DfE's Working together to improve school attendance guidance. This will include considering whether an education supervision order should be applied for, as well as, or instead of a prosecution.
- It is a parent's legal responsibility to ensure their child receives appropriate education. Failing to send a child to school regularly and without good reason is a criminal offence. Schools can fine parents for the unauthorised absence of their child, where the pupil is of compulsory school age. The decision on whether to issue a penalty notice ultimately rests with the Headteacher, in line with the local authority's code of conduct for issuing penalty notices.
- See table below and the DfE's Working together to improve school attendance guidance for more information about penalty notices, prosecutions and education supervision orders. The local authority's penalty notice code of conduct is available from [School attendance/absence from school penalty notices](#).

Penalty notices	
<p>Penalty notices are issued to parents as an alternative to prosecution and are intended to prevent the need for court action.</p> <p>If a pupil has frequent, and/or extended period of unauthorised absence, a prosecution may be considered, instead of a penalty notice.</p> <p>Penalty notices cannot be paid in instalments.</p>	
Sanction	Outcome
First penalty notice (in a 3-year rolling period)	The penalty is £80 (per parent/carer, per child) payable within 21 days, rising to £160 if paid between 22 and 28 days. (Failure to pay will usually result in prosecution.)
Second penalty notice (in a 3-year rolling period)	The second time a penalty notice is issued to the same parent for the same child the amount will be £160 per parent, per child (if paid within 28 days). There is no reduction in the amount if the penalty is paid early. (Failure to pay will usually result in prosecution.)
Prosecutions for unauthorised absence	
<p>Local authorities (LAs) are unable to issue more than two penalty notices to the same parent for the same child, in a rolling 3-year period. Should a third offence of unauthorised absence for the same child be committed during the 3 years (including where a child has moved school and fines have been issued by other LAs), the LA may prosecute the parent/carer(s).</p> <p>As penalty notices are an alternative to prosecution, the LA may decide to proceed straight to prosecution instead of issuing any penalty notice.</p> <p>If prosecuting, it is for the LA to decide whether a section 444(1) or section 444(1A) prosecution is most appropriate.</p>	
Sanction	Outcome
Prosecution under section 444(1) of the Education Act 1996	If found guilty, parents/carers may be fined up to £1000 and ordered to pay court costs. The court may also impose a Parenting Order.
Prosecution under section 444(1A) of the Education Act 1996	If found guilty, parents/carers may be fined up to £2500 and ordered to pay court costs. Other court outcomes include community sentences, such as Curfew Orders, Unpaid Work (Community Payback) or a prison sentence of up to three months. The court may also impose a Parenting Order.
Education Supervision Order (ESO)	
<p>The local authority must consider applying for an ESO (under section 36 of the Children Act 1989) before prosecuting under s444 Education Act 1996. An LA may apply for an ESO instead of, or as well as, proceeding with a prosecution. The order is placed on the child, and a supervisor from the LA is appointed by the court, to give directions to the child and their parents with a view to securing that the child is properly educated. Parents can be prosecuted if they persistently fail to comply with a direction; if found guilty they may be fined up to £1000.</p>	

Children Missing from Education (CME)

- We have due regard to our statutory duty to safeguard pupils who are CME. We follow the Local Authority's processes for reporting pupils missing from education. [The DfE guide can be found here.](#)
- If a pupil fails to return following a period of absence, investigations will be made by staff as to their whereabouts. If our investigations fail to contact the parents/pupil, the case will be referred to the Local Authority Children Missing Education (CME) Team within 20 days.

Attendance Causing Concern

- Specific measures to monitor attendance on a daily and weekly basis are embedded at the school and regularly checked to ensure the safeguarding of all pupils through specific and tailored interventions.
- St James School records and collects attendance data using our Data Management System, (Bromcom). We recognise that there are groups who nationally, and within our local setting, are more vulnerable and susceptible to lower attendance patterns such as children who are defined as Pupil Premium, and pupils with Special Educational Needs or Disabilities. We work with families to overcome any specific barriers that children may be facing, regardless of these needs to ensure pupils continue to fully access their education.

- Staff make effective use of newsletters to report to parents the trends and patterns in attendance at a whole school level as well as for their child.
- Where attendance is deemed to be a concern, we will talk to pupils and parents. From this, there may be one of three initial outcomes:
 - a. Initiate simple reasonable adjustments
 - b. Develop a school focused plan with the pupil and their parent as appropriate (As per our Stage 2 of the attendance support process)
 - c. Initiate a multi-agency Early Help Assessment (EHA)
- If the conversation with the pupil indicates a serious safeguarding concern, we will follow our safeguarding procedures as set out in our Safeguarding and Child Protection Policy.

Supporting the Attendance of Every Pupil

- We use a variety of strategies to encourage attendance:
 - a. Building strong and enduring relationships with our pupils so they feel a sense of belonging in our school community
 - b. Verbal encouragement and praise for sustained and improved attendance
 - c. Create personalised and achievable attendance targets for pupils, based on their medical needs and/or additional needs that is realistic and appropriate for each individual
 - d. Create safe spaces for pupils to thrive
 - e. Create opportunities for dialogue with families about attendance, ensuring that we work in partnership with parents
 - f. Use different methods to encourage attendance; for instance, explaining the links between attendance and outcomes as well as social and emotional development
 - g. Raise the profile of attendance with families, particularly when pupils start at the school
 - h. Teach and model a love of learning, helping families and pupils to see the value of the education that is offered to them
 - i. Look at the effect on attendance of decisions made at school level, for instance term dates and the timing of non-pupil days
 - j. Be aware of the complexity of different contexts and the pressures that families might experience, which may in turn contribute to poor attendance.
- We recognise that not all children, particularly those who are most vulnerable, are able to achieve 100% attendance through no fault of their own. We celebrate improvements in attendance and contextualised good attendance for individual pupils.
- Each pupil is supported and encouraged to achieve their individual highest possible attendance. Where applicable, pupil's will be provided with SMART (Specific, Measurable, Achievable, Realistic, Time bound) individual targets for their attendance which will be reviewed regularly and include parental consultation.

Ethnic Minority Pupils

- Pupil registration regulations states that absence should only be granted due to the exceptional circumstances relating to that application. It is important to note that Headteachers can determine the length of the authorised absence, as well as whether absence is authorised at all.
- The following might be considered as exceptional circumstance for ethnic minority pupils:
 - a. Religious festivals: the school will authorise any absence where the parent/carer's religious organisation sets the day as a religious festival. For example: There are two key festivals in Islam, Eid-ul-Fitr (celebration that takes place at the end of Ramadan, the period of fasting) and Eid-ul-Adha (festival of sacrifice). The dates of these key events are set according to the Islamic calendar. Muslim families usually need to take one or two days to celebrate these important festivals. Absences may be recorded as R.

- b. Religious rites e.g. Bar Mitzvah, Holy Communion. The Headteacher will consider each request for leave of absence individually to determine the number of days approved.
- c. A close family wedding, if the dates cannot be made during school holidays. (one day only)
- d. Illness or death of an immediate family member; the Headteacher will also consider the time needed for the length of journey when child needs to travel abroad under such circumstances
- e. Child, parent/carer requires medical treatment overseas or elsewhere in the UK due to language barrier or requiring specialist treatment elsewhere.
- f. Length of journey from abroad; the Headteacher will consider length of journey or limited regional flights.
- g. Cultural celebrations such as Chinese New Year or Diwali. Cultural celebrations give children a feeling of belonging and make them feel part of their culture. This sense of identity is like a natural buoy for a child's emotional health.
- h. Children attending their annual exam in their home country. There are exams which are compulsory in some EU countries. They are normally during holidays but can occasionally be requested during term time.
- i. Child, parent/ carer's visa has been revoked and they need to return to their birth country whilst pursuing the renewal of a visa. The duration will be considered in line with the expectations of the birth country.

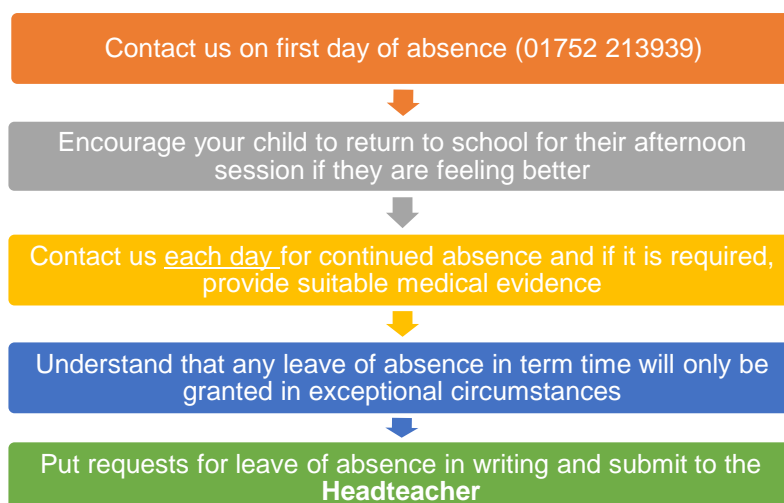

Appendix 3 – Framework of Responsibilities

- The foundation for good attendance is a strong partnership and relationship between the school, parents and the child, *therefore, St James expects everyone* to uphold their responsibilities for promoting excellent attendance at school.
- To do this everyone must understand their role in promoting a positive culture of attendance and be clear about what is required of them individually, as well as how they need to work together in partnership with others.
- Where a pupil or family need support with attendance, the best placed person in the school will support the family, this may or may not be the child’s class teacher. This person should remain consistent, and the school will draw on positive relationships to listen to and understand the barriers to attendance the pupil or family is experiencing.

Parents will:

- be aware that it is an offence for your child to be absent from school without a valid reason.
- be aware that only the school can determine if an absence is ‘authorised’.
- ensure your child / children arrives at school on time, dressed in full school uniform, ready and equipped to learn.
- promote the value of a good education and the importance of regular school attendance at home.

**There are 190 school days each year, this means that there are
175 non-school days a year**

Attendance %	Rating	Days absent	Description
100%	Perfect Attendance	0	This represents the best chance of success for your child
97%	Secure Attendance	5	
95%	Improvement required	9	This represents less chance of your child succeeding, as it is harder for them to make progress
90%	Attendance Concern (Persistent absence*)	19	
85%	Serious Concern **	30	Serious Concern Missing this much education will seriously limit your child’s success and could result in legal action

*Persistent absence is defined as: 10% or more of sessions missed (19 or more days) (based on each pupil’s possible sessions). Absences may be authorised or unauthorised.

** Severe absence is defined as: 50% or more of sessions missed (based on each pupil’s possible sessions). Absences may be authorised or unauthorised.

Appendix 5 – Creating a Positive Attendance Culture

- The foundation for good attendance is a strong partnership and good relationships between the school, families and the child, therefore, *St James* expects everyone to uphold their responsibilities for promoting excellent attendance at School.
- To do this everyone must understand their role in promoting a positive culture of attendance and be clear about what is required of them individually, as well as how they need to work together in partnership with others.
- Our school aims to meet its obligations with regards to school attendance by:
 - a. promoting good attendance and reducing absence, including persistent absence,
 - b. ensuring every pupil has access to the full-time education to which they are entitled and
 - c. acting early to address patterns of absence.
- For a positive attendance culture to be fully embedded across our school, it needs to be a holistic approach and is not seen in isolation. This will be achieved in our school through our:
 - Clarity of expectations through effective timely, and positive communication
 - Clear and effective systems and processes
 - Everyone's responsibility approach. Attendance is a team sport with an individual focus
 - Strong and positive relationships with families and children
 - Compassionate curiosity and empathy by all staff, enabling us to seek to understand
 - Equity of opportunity and access to education for all children
 - Whole school culture of belonging and agency for all children

We also operate an attendance support process, enabling us to work alongside families to understand and support when attendance begins to decline. The process is outlined below:

	Monitor	Action: Stage 1	Action: Stage 2	Action: Stage 3
Information for School Staff	<ul style="list-style-type: none"> • Regular monitoring and conversations regarding the importance of excellent attendance (weekly) • Positive framing everywhere & by everyone with regards to benefits of attending school • Personal communication to pupils and families regarding attendance • Rewards for regularly attending school 	<ul style="list-style-type: none"> • Phone call home to identify any barriers to excellent attendance • Monitor the child's attendance weekly using the attendance tracker • Reward the child for improved and sustained attendance 	<ul style="list-style-type: none"> • Meeting to be arranged with the family and the child to identify any barriers to attendance. • Identify the push and pull factors • Offer support relevant to the barriers to attendance (Early Help if applicable) and agree achievable milestones • Regularly review the support and its impact - weekly monitoring of attendance • Reward the child for improved and sustained attendance 	<ul style="list-style-type: none"> • Involve the Attendance Engagement Officer (AEO) if there is a lack of engagement from the family with the support offered • Regular more formal meetings (face to face) with the family and the child to monitor the impact of the support and the engagement of the family and child • Regularly review the action plan for impact and engagement - offer additional support if needed • AEO - formal communication and escalation to legal intervention (if applicable) • Reward the child for improved and sustained attendance • Daily monitoring of the child's attendance by the school and regular monitoring by the AEO as part of the attendance plan

Appendix 6 – Removing a child from the school roll

Elective Home Education (EHE):

- All the relevant paperwork, including the safeguarding form will be submitted to the LA on the day of receiving the de-registration letter from the parent with a copy of the letter.
- The school will always offer an opportunity for parents to discuss the decision and to offer additional support to prevent the decision to EHE.
- The school will operate a 10-day cooling off period to allow time and space for the decision to be considered, but if parents decide that they want to proceed with the EHE request then this will not affect the date of de-registration.
- The pupil will be taken off roll from the day the school receives the letter, or in cases where the parent is giving advance notice of the date requested, on the date requested.
- We cannot backdate this to an earlier date than receipt of the letter, even if the parent requests this.
- The school will confirm that the pupil has been registered with the LA as EHE to ensure that they have assumed responsibility for the pupil.

Pupil Moves Out of Area:

- Unreasonable distance to travel. We will submit the Statutory Notification as soon as we are made aware of the situation. We will then continue to track the pupil's destination and liaise with LA admissions team accordingly.
- The LA will advise the school when the pupil may be removed from roll. This is when it has been established that the pupil/family have left the last known address and their new location is known. The LA may also allow the school to backdate the leaving date if they or the school receives confirmation of the pupil starting at another school or within the care of a different LA.
- The school must receive written confirmation from the LA to backdate the leaving date. If the school does not receive this and the school has no other confirmation of where the pupil is, the school must keep them on roll for 20 days in line with the child missing education guidelines.

Pupil Emigrates:

- We will follow the same procedure as above for moving out of area, but we will also need to ascertain from the parent the forwarding address, details of destination school and moving date.

Pupil Transfers to a New School:

- We will confirm the pupil's start date at the new school and that the pupil has started there and then submit the Statutory Notification.
- We can take the pupil off roll from the confirmed start date, or the last school day if it precedes it e.g., a Friday and they started on a Monday. If the start date is the first day of a school term we can backdate the leaving date to the last day of the previous term. If there is a gap between the leaving date the school has been given by a parent and the start date for a pupil, the pupil should remain on the school's roll, marked absent, until the transfer school confirms the pupil has started there. If after ten days, the pupil has still not started, the school should submit a CME form. We are not permitted to remove a CME pupil from the school's roll for a further ten days from the initial notification or safeguarding referral (so 20 days in total).
