

Thursday 17th September 2020

Dear Parent/Carer,

We have had a brilliant start to the term and are very proud of our pupils and the way in which they have responded so positively to wearing face coverings when moving around the school this week. All pupils received guidance on the safe use, storage and disposal of their face coverings and there are posters displayed across the school.

As part of our commitment to all pupils being able to access a broad and balanced curriculum, using specialist spaces and equipment, we are now confident that we can introduce a timetable that allows for movement around the school.

Therefore, on Monday 21st September, all pupils will access specialist teaching areas across the timetable. Rest assured that we will have additional cleaning of any shared areas to ensure the safety of all our pupils and staff.

We will continue to keep the separate entrances for different year groups and the current tutor rooms, as well as the staggered break and lunch time with bubble specific areas. All other information that you have received and the timings of the school day will remain the same.

On Monday 21st September, pupils will spend lesson one with their tutor in their tutor classroom, where they will receive their new timetables and be able to ask any questions they may have.

We thank you for the fantastic support parents have shown on our return to school this year. Feedback is always warmly welcomed and if you have any questions or concerns about any of the above, please do not hesitate to contact

headteacher@stjamesexeter.co.uk

Yours faithfully,

Emily Harper
Deputy Headteacher
Quality of Education
